

MAZE CRAZE!

Can you find your way through these perplexing paths?

DID YOU KNOW? Neuschwanstein Castle, which is in Germany, has a very interesting history. It was built by Ludwig the Second of Bavaria (sometimes called “Mad King Ludwig”), who loved fairy tales and theater. The castle was designed by a theatrical set designer instead of by an architect! Before it was finished, Ludwig was declared insane and soon after died of suspicious causes. Neuschwanstein has inspired many artists and architects and is the model for the Sleeping Beauty Castle at Disneyland.
